To Whom It May Concern,

It is with great pleasure that I provide this professional reference for Bianno Gomes, who joined Cape Town Yacht Services in May 2025. During his time with us, Bianno consistently demonstrated a strong work ethic, eagerness to learn, and a proactive attitude towards any task assigned to him.

Bianno's key strengths include:

- **Punctuality and reliability** – always arriving on time and often staying late to ensure tasks were completed to the highest standard.
- **Versatility** – capably handled a wide range of roles and responsibilities across various yachts and projects.
- **Strong teamwork and independence** – he excelled both in collaborative environments and when working alone.
- **A genuine desire to learn and grow** – Bianno continuously sought new challenges and showed initiative in building his skills.

Throughout his tenure, Bianno contributed to numerous projects on a variety of vessels, including:

- **Sailing yachts:** Jaluke (Bavaria 42), Barbie Too (Bavaria 35), @ C (Bavaria 38), Windward (Oyster 52), Excalibur (Fast 42), Most (Open 40), Nitro & Vulcan (Cape 31s), and several Leopard 45, 50, and 53 new build sail handovers.
- **Motor yachts:** M/Y Salty (Two Oceans 85), Princess Margret (Princess 43), and Leopard 53 power.

His responsibilities covered a wide range of tasks, such as:

- Stainless steel polishing and maintenance
- General deck and hull washes
- Teak cleaning
- Interior detailing and owner prep
- Engine room cleaning
- Buffing and polishing of GRP surfaces
- Line handling and dock assistance

As Bianno now seeks to further his career in the international yachting industry, I have no hesitation in recommending him for a **deckhand position**. He will be an asset to any vessel or crew.

Should you require any additional information, please feel free to contact me.

Sincerely,

Erik Bjerring

Director, Cape Town Yacht Services
